## nbn released the Annual Report 2016 - 2017

**nbn** today published its Annual Report 2016 – 2017, which outlines the operational and financial performance for the 12 months ended 30 June 2017.

**nbn** delivered strong financial results, exceeding key targets set by the **nbn** Board. The footprint near doubled to 5.7 million premises, active end users doubled to 2.4 million premises and revenue more than doubled to \$1 billion.

**nbn** announced its financial results on 15 August 2017; however the Annual Report discloses **nbn**'s full financial statements and a detailed review of fiscal 2017.
